

Normalized Scoring System (NSS)

Run a Fair, Credible, Dispute-Free Event

SOFTWARE AND PRODUCT LICENSE Prices

(Current as of 2026-03-27)

NSS-LICENSE-01 – “Fairness Starter” (\$299)

Run a fair, dispute-resistant contest this year - for less than the cost of one unhappy sponsor. Includes:

- 121-day access to scoring files centered around your event
- Full year of support files, templates, and documentation
- 5-year archival capability for audit and historical reference
- Electronic manuals
- Access to minor updates during the scoring license period

Designed for a single contest requiring credible, transparent results.

License is assigned to one event only and may not be transferred or shared.

NSS-LICENSE-02 – “Guided Setup” (\$429)

New to normalized scoring? This option ensures you get it right.

Includes everything in NSS-LICENSE-01, plus:

- Two (2) one-hour remote consultation sessions
- Guided setup assistance tailored to your event
- Best practices for judges, categories, and scoring flow

Bring professional-grade credibility and confidence to your event without stress.

NSS-LICENSE-03 – “White-Glove Setup” (\$549)

For organizers who want confidence and speed, this is your near turnkey option.

Includes everything in NSS-LICENSE-02, plus:

- One-time setup of Registration Module
- Setup of scoring round files for each category
- Also includes setup for Archives, Cumulative totals, Duration calculator, and Judge assignments (if requested)

Requires 30-day advance notice prior to event. (\$100 surcharge applies if inside 30 days.)

FEATURED BUNDLE

NSS-BUNDLE-01 – “Community Event Bundle” (\$449)

Built specifically for local events, festivals, and first-time NSS users. This package

delivers everything needed to run a **fair, organized event** at a community-friendly price point. Includes:

- NSS-LICENSE-01 (Fairness Starter)
- One (1) hour Remote NSS Consultation
- Registration Module setup (standalone product)

OPTIONAL STANDALONE TOOLS

NSS-REG-01 – “Registration Module” (\$99)

Streamline contestant registration and event data management. Bring accuracy, transparency, and credibility to your event—even if you’re not using NSS scoring. Trusted by organizers to simplify registrations and reduce errors.

NSS-DUR-01 – “Duration Calculator” (\$59)

Calculate Entire Event times and durations upfront PLUS manage schedule IN REAL TIME. **Critical for any judged contest.**

Works independently or with NSS scoring to give organizers **confidence, control, and professional-level efficiency.**
